

C52-SP DECT Expansion Speakerphone

The Snom C52-SP combined with either the Snom C520 or C620 is the perfect solution for people who regularly hold teleconferences in large rooms or with large numbers of people. Up to three C52-SP units can be paired wirelessly with the Snom C520 with ease, then serving as fully hands-free modules thanks to the two integrated microphones and powerful speaker. You can also pair up to two C52-SP units with our C620 to make a completely wireless conference solution.

The C52-SP can be moved around anywhere in the room at a distance of up to 150 feet enabled by wireless DECT connection and battery operation. Thanks to the fully automated voice synchronization of all microphones, all attendees can be clearly understood in optimal HD-Voice quality. The C52-SP speaker also features a very powerful battery for up to 12 hours talk time.

The C52-SP can also be wirelessly connected to any Snom desk phone featuring a USB port when connected with the A230 DECT USB stick.

C52-SP Key Features

Full-duplex hands-free unit

With Snom HD-Voice, voices are transmitted in crystal-clear quality through the high-quality speaker and integrated microphone.

Cordless expansion

Collaborating in a large conference room? Pair up to two C52-SP to your C620 or up to three to the C520 conference phone to increase volume and microphone pickup.

Accessory Speakerphone

Need to add a conference phone to your office? Pair a C52-SP to your Snom deskset using our A230 DECT dongle to add a wireless conference phone to your office. You can even plug the A230 into a computer to use the C52-SP with your favorite communication application.

Snom HD-Voice

Thanks to the G.722 broadband codec, calls can be made in crystal-clear HD-Voice quality.

Up to 12 hours of wireless talk time

The integrated battery in the C52-SP enables talk time of up to 12 hours

Up to 70 hours of standby time

The C52-SP comes with a battery charge of up to 70 hours standby time or can be operated with the power supply unit provided.

3-year standard warranty

Enjoy the peace of mind that comes with an industry-leading, standard three-year warranty.
