

Sangoma EXP150 Expansion Module

Sangoma IP Phone Sold Separately

High-Performance LCD Expansion Module

Designed specifically for users who manage high call volumes, the Sangoma EXP150 expansion module delivers single-button access to contacts/extensions and maximizes productivity of the telephone attendant by efficiently dispatching inbound calls.

The EXP150 is compatible with the Sangoma D65 series.

Physical Features

The EXP150 features a large 160x320 graphic LCD display with 2 pages of 20 programmable hard keys delivering up to 40 programmable features. Dual-color LED and 2 control keys for fast page switching make the EXP150 simplify communications.

Expandability

Extend your investment by daisy-chaining up to 6 expansion modules for up to 240 programmable keys.

Support and Professional Services

Sangoma offers a full complement of professional services including, technical support, software maintenance, training, deployment and consulting services.
