KX-TPA68 CORDLESS DESK PHONE

- 3.5'' color LCD
- 18 flexible function keys with self label
- Full duplex speaker phone
- High-definition Audio (G.722)
- Easy Installation Without Wired LAN
- Up to 500 Phone Book Addresses

MODERN AND ELEGANT

Panasonic releases a new cordless communication terminal for KX-TGP600. Using a large color LCD, integrating high definition audio and an enhanced user interface as a desktop phone.

This new model includes 18 self-labeling flexible function keys (arranged as 3 pages of 6 keys). The key labels indicate both icon and status.

The KX-TPA68 features superior sound quality over the previous model with a full duplex speaker phone and 4 dB higher voice volume. Additionally, the noise reduction feature, which automatically adjusts the received audio volume in noisy environments, has been improved.

In addition to the KX-TPA60 standard cordless phone already included with the KX-TGP600 system, the KX-TPA68 desktop DECT phone can work alongside any combination of up to seven additional Panasonic cordless or desktop DECT phones.*

*The KX-TGP600 supports up to a total of 8 phones and is compatible with the following phone models: KX-TPA60, KX-TPA65, KX-TPA68, KX-UDT121 or KX-UDT131.
